

An Epic Chesapeake Adventure
Official Press Materials

SPECIAL OPPORTUNITIES FOR THE PRESS

Limited opportunities exist for members of the press to voyage on the John Smith shallop for short portions of the reenactment voyage. Interested parties should be aware that the shallop is equipped with only the most basic of bathroom facilities with minimum privacy. Preference will be given to media who are working on a major story or video production that will reach a large audience.

If you are interested in learning more about opportunities for the press to voyage on the John Smith shallop please contact:
